Dear Industry Professional:

The 2019 Sudbury Classic Championships to be held May 25th in the Fraser Auditorium on the campus of Laurentian University. This is a Canadian Physique Association sanctioned event and promises to be the premiere regional show in the province in 2019. This event will attract athletes from across the country hoping to qualify in their chosen class for GNC/Allmax Pro Qualifier Championships in conjunction with the Toronto Super Show May 31st-June 1st. Simply put this event will attract a large amount of athletes and spectators making

it a show you don't want to miss.

The Sudbury Classic Championships will provide a fantastic opportunity to promote your business or company at one of the premier events in 2019. The theatre at Laurentian University will provide you as a vendor an excellent opportunity to network and make contact with hundreds of potential new and existing clients. We will set you up as a vendor in the entry area of the auditorium which provides ample space for set up and a constant flow of people traffic for you to interact with. The city of Sudbury has been extremely supportive of this event over the past 20 plus years and will surely be there in 2019 in great numbers.

The Sudbury Classic Championships will provide a great medium for sponsors to communicate your business, products and services to potential clients. We look forward to your participation as a sponsor and a spectator for what we anticipate to be the best show yet. It will be exciting to see and to encourage the "physiques of the future".

Please contact Kieran Foley at 705.946.9635 / e-mail @ axlef33@shaw.ca for more information. We look forward to you taking part in this premier event!

Sincerely,

Kieran Foley
